

New! ML Artist Advantage

Print, Online, and E-mail Marketing

With combined print, online, and email marketing you can maximize your reach without spending a fortune. Liturgical Art & Environment is a new online extension of *Ministry & Liturgy* magazine. Designed for artists, consultants, and architects, this portal will assist you in communicating with your target market on a regular basis. Place your studio or firm at the fingertips of parish leaders directly responsible for making key purchasing decisions for their communities.
